Covid-19 Safety Procedures

As KTC Dallas reopens, we ask that all members and visitors closely follow the safety procedures below in order to prevent the spread of Covid-19 among our Sangha. We want to be able to connect as a community, while still acting with compassion toward each other during this global pandemic. For the time being, all in-person events will be held outside on the grass starting at 9:00 AM (this may vary due to weather)

At KTC Dallas

- Wear a mask
- Stay 6ft apart or farther at all times
- Sit at marked social distance spots in the grass
- Do not make physical contact (bowing is encouraged for greetings)
- Leave parking spaces closest to the Stupa open for those who wish to participate from their cars
- If needing to use the restrooms, please do the following:
  - keep your mask on, keep distance from others
  - enter through the fellowship hall door by following the path between the shrine room and the main building
  - wash your hands thoroughly when done
  - exit through the kitchen door

To Bring:

- Your own mat, cushion, towel, blanket, or pillow to sit on in the grass
- Your own beverage / snacks
- Your printed prayers or phones with access to email, which will be attached to our weekly announcement emails
- Any items, which will help to stop the spread of Covid-19, such as hand sanitizer

Stay Home If:

- You are feeling sick, even if you are unsure of what you may be ill with
- You've had close contact with someone who has tested positive for Covid-19 or is waiting for Covid-19 test results
- You have an underlying condition, which puts you at greater risk
- You think you will not be able to comfortably abide by the required safety procedures
