Covid-19 Safety Procedures

We ask that all members and visitors closely follow the safety procedures below in order to prevent the spread of Covid-19 at KTC Dallas. We want to be able to connect as a community, while still acting with compassion toward each other during this global pandemic. For the time being, all events will be held outside or online only. All public events will be streamed live on the KTC Dallas’ Facebook & Instagram and the recording will be available for viewing later.

At KTC Dallas

- Wear a mask at all times
- Sit at marked social distance spots
- Stay 6ft apart or farther at all times (bowing is encouraged)
- Please refrain from touching or getting within 6ft. of Lama D. Dorjee (bowing with palms together is encouraged)
- Park in the larger, unpaved parking lot on the North side of the KTC Dallas property. The paved parking lot at the front of the center will be used for seating and for Lama D. Dorjee.
- If needing to use the restrooms, please do the following:
  - keep your mask on, keep distance from others
  - To enter and exit the center to use the bathroom, we ask that all visitors use the back door to the Fellowship hall. This is the glass door on the South side of the building facing Irving High School. **Please do not go into other parts of the center** as they will be reserved for Lama D. Dorjee's and KTC Dallas residents’ use.
- Wash your hands thoroughly when done

To Bring:

- Your own mat, cushion, towel, blanket, or pillow to sit on in the grass
- Your own water, coffee, juice, tea, and/or snacks
- Your printed prayers or phones with access to email, which will be attached to our weekly announcement emails
- Any other items, which will help to stop the spread of Covid-19 or keep you comfortable, such as hand sanitizer or small personal fans

Stay Home If:

- You are feeling sick, even if you are unsure of what you may be ill with
- You’ve had close contact with someone who has tested positive for Covid-19 or is waiting for Covid19 test results
- You have an underlying condition, which puts you at greater risk
- You think you will not be able to comfortably abide by the required safety procedures
